

Introducing MyRepChat in your email signature

Here's some sample templates you and your organization can use to introduce your texting number to clients

If you ported your office number into MyRepChat

1. You can text me! My office phone number is now my business texting number.
2. You can now reach out via text! My office number is my business texting line.

If you got a new texting number via MyRepChat

1. I have a new number for texting! Reach out with any questions at XXX-XXX-XXXX.
2. Please reach out via text at my new number: XXX-XXX-XXXX
3. Texting is compliant via the following number: XXX-XXX-XXXX.
